## Re-Opening

Following government guidelines, we are hoping to re-open Ashlyns on the 12<sup>th</sup> April. If all goes well, we need to ask that if you have not already registered and set up your payment details with LoveAdmin that you do this before you return to your class. All classes' times and groups will run as they did when we finished for Christmas, gymnasts once settled back will be assessed on their current badge level and continue through the correct path within Berkhamsted Gymnastics Club.

There are so many safety requirements to enable us to re-open, unfortunately our pre-schools sessions at Gossoms End are not as easy to return as Ashlyns. We are still working on the structure to re-open and as soon as we have news information will be announce via phone call, Newsletter or Website.

We have been extremely proud of all the gymnasts who have signed up and joined Zoe or Charlotte on our Zoom sessions. Due to the restrictions, we can teach virtually the gymnasts have improved their conditioning and strength. All these skills that they have learnt over the sessions will show when we return.

Our sessions have been going well for the last 3 weeks if you are interested to join and have not done so yet please contact **Bridget 07484115592** to book you space.

### LoveAdmin

After many months of investigation, the Club has chosen to implement a new management information system called Love Admin.

This now allows us to take payments more easily from members (such as on a monthly and not termly basis) and improves the ease in which we take registrations and communicate to our members generally. It has also meant that we have been able to automate the administration function of the Club, which will be a huge timesaver for us in the future. One of the other contributing factors in choosing this system was that fact many other clubs and organisations successfully use Love Admin and have given positive feedback on the system and its benefits.

The Love Admin system is set up such that it requires members to input information online that then allows London & Zurich to collect payment on our behalf via direct debit. London & Zurich is a financial institution that specialises in providing direct debit and card payment collection services to all kinds of organisations helping ensure that payment is made with total efficiency and security. It is London & Zurich that will therefore hold the payment details of members and not Love Admin. Members will always receive an email notification a few days before payment can be made and payment should not be taken without notice. Unfortunately, the system is not set up to allow for payment to be made via credit/debit cards.
