September return

It was so lovely to see so many parents / carers at the end of the Summer term for our first watching week. We hope you enjoyed seeing your children and saw their progression in our fun and safe environment.

Our new term starts on the week commencing Monday 5th September 2022! We look forward to seeing you all back and ready after a lovely summer break.

BADGE WEEK

The week before we broke up for summer gymnasts were tested for their Beam Badge. The skills they learnt during the weeks leading to testing showed that they have understood and worked hard, as many of them passed. As we progress through the badges we will notice where their strengths and weaknesses are, enabling us to make sure they are working within the correct group.

Each ability group are working within their skill level, the badges are for your gymnast to be rewarded and for coaches to check that they are on the correct path.

Extending our class times

As of September, our class times will increase to 55mins. To try and make the turnaround in between classes easier, it would be great if your child could arrive ready for gymnastics and will slip on shoes.

Class movement

Many gymnasts have been emailed about class changes which will enable them to be working in the correct class for their age. Please check your emails and confirm if these changes are appropriate – we have been able to keep most of the gymnasts on the same day!

Club Kit

We are so pleased to announce that our club kit of Girls leotard, boy's leotard with shorts & club t-shirt are available to purchase through your LoveAdmin account. We are starting to see more gymnasts arriving in their new kit and they look amazing. If you need any advice, please contact the club.

LOST Property

Over the last term we have gathered several items of clothing, shoes, and bottles. If you recognise any in this picture, please contact me so that we can re-unite you with your property. If we do not hear from you then the items will be donated to charity.
