Our purposes for processing information about you

We use the information we hold about you for a variety of purposes which are outlined below. Data protection law requires us to tell you what our legal reason is for each purpose.

Contractual purposes

When you ask us to provide you a service, such as club membership or registration, gymnastics classes, competitions, trips or other activities or you buy a product from us we usually need to use information about you to provide this product or service, for example:

- To contact you to confirm arrangements;
- To notify you about changes to terms and conditions;
- To tell you when it is time to renew membership or re-register for activities
- To process payments or send you receipts required.
- To provide you with the benefits and services to which you have subscribed.

We do so because it is necessary for the performance of a contract.

Legal obligations

We have a duty of care to ensure it is safe for you or your child to take part in gymnastics activity and to keep you/them safe while participating. Some individuals may be at risk of harm from participating in gymnastics activity as a result of a pre-existing condition. It is vital that you let us know if there is any reason why taking part in gymnastic activity may be unsafe prior to participation. With your agreement, we will review any information you provide and undertake risk assessments in consultation with yourself and any appropriate trained professionals e.g. medical consultants. When we ask participants to provide relevant health information such as details of medical conditions, medication needs, allergies or injuries, this is because we have a legal obligation.

If you are selected for a role at the club, we will usually obtain a reference from any appropriate organisation or individual you have nominated.

When you tell us about any special needs such as disabilities or other support information we may use relevant information to comply with our legal obligations under the Equality Act 2010. We will review any information you have provided to help us identify any actions we can take to support inclusion. We may need to ask you for more information to help us to best meet your or your child's needs. We will keep a record of any steps we take to support inclusion.

If you are wishing to volunteer or work for us, we may need to ask you to complete a criminal record check as we have a legal obligation to do so. We jointly control the checking process with British Gymnastics who is responsible for the assessment of any content on the check and will only share information with us where it is appropriate. For example, if you are considered by British Gymnastics to be unsuitable to take on the role, we may share relevant and proportionate information about criminal offences where it is deemed that while you are not considered unsuitable to take on the role, if it is considered necessary for safeguarding purposes.

When we retain information about you, even after you are no longer taking part in gymnastics activity, this is often because we are required to do so by law such as records we are required to keep for business and accounting purposes. Sometimes we are also legally obliged to share information about you with third parties. More information it provided below.

Legitimate interests

We rely on legitimate interests for the following purposes:

- **Responding to communications, concerns or complaints and seeking feedback from you about our services.**

We will use the information you provide to respond to any comments or questions you raise and where appropriate to undertake investigations into any complaints or concerns. On occasion, we may contact you to seek your views on the services we provide.

- **Holding emergency contact information**

When you join the club, we collect contact details. We also ask you to provide an emergency contact which we will only use in exceptional circumstances if we are unable to contact your primary contact e.g. a parent.

- **Maintaining attendance registers, achievement records and waiting lists**

For health and safety purposes and club records, we need to maintain a register of those in attendance at training or other club activities.

Using the attendance register information, we may have to provide personal details (names and 2 types of contact numbers) of members to the NHS test and trace service if they request it.

If there are no places in the club, we can place you on our waiting list and will contact you using the details you provide to inform you when a place is available.

- **Entering you into a competition and providing results**

If you wish to take part in a club competition, your information (usually your name, date of birth and gender) will be used to enter you into the appropriate category and your score will be recorded. Results of competitions are normally published on our website, in the newsletter and displayed on the club notice board.

If you wish to enter a competition organised by another gymnastics body, including British Gymnastics, East Regional and Hertfordshire County Gymnastics Association, we will provide your information to the organiser to enable you to take part in the competition or event that they are organising.

- **Collecting additional information to support a participant attending a club trip**

Occasionally we organise residential events or trips. If you or your child registers for one of these events, we will need to collect additional information, that may vary dependent on the specific activities and whether they involve meals and travel. Additional information we require may include passport information and any other relevant information necessary to provide support whilst away from home.

- **Monitoring performance and undertaking fitness assessments**

If you or your child are/is a competitive/elite/squad gymnast, we will need to collect additional information about you/them. We track and monitor gymnast's performance in training, trials and competition and undertake regular fitness assessments. We may require additional information about lifestyle and education if you or your child are/is training at an elite level and requires time out of school or lifestyle.

- **To monitor that you have completed any required safeguarding training and criminal record checks**

If you undertake a role where a criminal record check and safeguarding training are required, we will receive confirmation from British Gymnastics if your check is approved and that you have completed the required safeguarding training.

- **Filming for coaching purposes**

On occasion, we may film gymnasts e.g. during a gymnastics session for coaching purposes or celebration of their skills on our club facebook page. Videos taken at training sessions for individual coaching purposes will not be used for any other purpose without prior consent.

- **Photography and filming [at large club events] to promote the club**

We may take photos at club events to promote the club on our website, club social media account and in communications.

At our large club events such as our annual club competitions and club display, we take photos to promote club activities and may film the event to create a DVD. We publish images on our website, social media account and in our communications. Any images of children will be published in line with British Gymnastics safeguarding policy.

Let us know if you do not wish to be filmed or photographed or do not want your image to be published. While we can usually take steps to prevent you from being photographed or filmed at small club events, please bear in mind that at our large public events, it may be difficult to avoid capturing you in footage. However, we always review all photographs prior to publication and we will ensure any images of you are deleted.

If we are filming or taking photos for any other purpose, we will ask for your consent.

- **Running and monitoring our club website and social media**

We may in the future monitor how our website is used by tracking the articles that you open and how you move around the site. This will help us to understand what information is most useful and helps to improve the site.

Your IP address will be logged by our webserver but we would not be able to identify you from this information alone.

- **Using CCTV for security and crime detection/prevention**

CCTV is currently set up at our Ashlyns site and is recorded for safeguarding purposes as well as security and crime detection/prevention

We have carried out a legitimate interest assessment (LIA) to ensure that the above processing is necessary and is carried out in a way that ensures a balance between the club's interests and your individual interests, rights and freedoms with appropriate safeguards, especially to protect the interest of data subjects who are children. We can provide details of these assessments on request.

You have a right to object to the use of your information for any purposes we undertake based on legitimate interests. Further information is provided in the section below on individual rights.

We rely on consent in the following circumstances:

- **To use your email or telephone numbers for marketing purposes**

As a registered charity we are eligible to claim gift aid on any donations from donors who pay tax in the UK with your agreement.

When you have given us your consent for your personal information to be used for a particular purpose, you have the right to withdraw this consent at any time, which you may do by contacting us using the contact details below. If you provided (any) consent(s) for a specific purpose as part of the information you provided on our behalf through the British Gymnastics membership platform, this (these) consents can be withdrawn at any time by logging into your British Gymnastics account.
