September return

It has been so lovely to see you after the Summer Holidays! We have really enjoyed our first week back and looking forward to seeing you again in your next session!

With the new term starting in September, this also means that the British Gymnastics Membership needs to be renewed for your child, which includes their insurance to participate.

This must be done by the 1st of October 2022 via the British Gymnastics Website!

October Half Term Gymnastics Camps

The October Half Term Camps are now live and available for you to book places on. Please login in and click on Events in the top left corner. If you have any questions or queries at all, please contact us.

Extending our class times

As a reminder our class times have increased to 55mins. To try and make the turnaround in between classes easier, it would be great if your child could arrive ready for gymnastics and will slip on shoes.

Club Kit

We have a range of club kit available for you to purchase through your Love Admin account. As a reminder, this is not compulsory but a lovely way that your child can feel ready for gymnastics. We have a sample of the kit available in our club reception area and further information on sizing and pricing can be found here or on our website. Please contact us if you have any questions or queries at all.

Club Competition

We have now opened our entries for our Club Competition which is due to take place in the afternoon of the 26th of November 2022. This is a fun and friendly in house competition which gives the children a chance to show you their development within the gymnastics classes as well as competing against others of the same age / ability.

Gymnasts will have the chance to practise their routines in their classes as well as at home! Timings of the event will be confirmed closer once we know the number of entries for the event!
